

West Australian Mandolin Orchestra

SPONSORSHIP OF THE WEST AUSTRALIAN MANDOLIN ORCHESTRA (Inc).

Since its inception in 1976 the West Australian Mandolin Orchestra (WAMO) has maintained a unique position within the music community of Perth. The only one of its kind, it was established to fulfil two main objectives:

1. To promote the playing of the mandolin family of instruments (this includes the classical guitar) and
2. To share its unique repertoire with the music public in and around Perth through public concert performances throughout the year.

At present WAMO funds itself through two main sources:

1. The Orchestra members who pay an annual fee.
2. The sale of tickets to its public concerts.

Although WAMO has been successful in applying for Government funding in the past, it has in recent times become more and more difficult to find sufficient funds to keep WAMO viable in its chosen field of music performance. In running the orchestra we incur significant costs, which we do not recover from the Orchestra members.

Also vital for WAMO's future is its ongoing commitment to the teaching of students of all ages, in order to maintain a full complement of orchestra members. Therefore we are reaching out to supporters and the public at large to become a sponsor of WAMO for the immediate and hopefully long-term future.

WAMO welcomes all donations but is looking to secure its future through individual sponsors who commit to an annual sponsorship amount. Annual sponsorships of \$200 or more will receive the following benefits:

1. 2 free tickets to all public concert performances throughout the calendar year.
2. Updated news on current activities both musical and social.
3. Sponsor's names to be prominently displayed on each concert program.
